Areas to Focus- Behavior, Instruction, Sharing Concerns

- **Behavior** - Possibly ask county to rephrase behavior question to pertain to submitter's own child only.
- **Instruction** – We are targeting this year with differentiated independent learning, STEAMS, and Bloom’s Higher Level Thinking.
- **Sharing Concerns-** Making sure teachers are ending emails with if you have any concerns please feel free to contact me. Discussed mid-year or throughout the year surveys in the future.

Next steps:

Team members are to discuss the 3 areas of concerns with grade-levels/department teams and follow-up with Mrs. Burris on recommendations by December 10th.
