New Business- School Improvement Plan

Now on school website to view. Staffed helped create the School Improvement Plan. Went over data summary- grade C school. Discipline is not interfering with letter grade. We are looking at trends that have caused this. We are adding in more differentiation into lessons. Looked over demographics. Discussed goals and evidence to support that goal. No questions were asked after reviewing plan. Discuss ways to say thank you to PTO for the Bulldog Jog.

Next Meeting: November 28th. Skip December. Have any agenda items or questions/comments to Debbie Romanow by November 20th.
