New Business:

- School Choice- Monday night 2-25-19 School Choice Fair. Reviewed things to bring to the next choice fair.
 - Suggestions –
 - Invite families to special events ie: Bingo night, Drama Performance
 - Samples of STEM activities from grade-levels.
- School of Music Focus - Discussed who has volunteered for the music committee. Computer lab will transition to a music room over the summer. Begin to push this concept to parents and the community.

Old Business:

Reviewed Grades- Make up work due March 1st for this grading period as long as there is clear documentation of teacher communication with the students and parents to make sure they are aware of missing assignments. Keep documentation of your emails and parent contacts.

Next Meeting- March 14th, 2019 with Barbara Faulk to discuss the School of Music Focus
