L. Merritt discussed TSI/TA and how it applies to MVES

- *MVES is one of 26 schools in Union County that meet the criteria.*
- *Re-evaluation every 3 years*
- *2019-2020 will be first school year*
 - Sub group that applies to MVES - SWD*
- *\$8,000.00 grant allotted as PD monies for this sub group.*

Possible options:

- 1. PD for teachers in this specific area- team wants to use what we are already doing and add additional focus- Jan Plan Interventions, Lexia, iReady*
- 2. Books/Resources*

NC STAR TEAM (2019-2020 school year)

- *Site Base Committee/ SIP- now NC STAR*
- *Responsible for creating and using a checklist for MVES improvement goals and noting when they are reached.*
- *Main focus for MVES will be growth in students with learning disabilities.*

FILARDI – spoke regarding HELP (Helping Early Literacy with Practice Strategies).

What is cost?

- Not a computer program
- offers training
- Primary focus on fluency
-

KAIK - Mentioned C. Rule as option (no cost), focusing on phonemic awareness. Merritt has already reached out to Rule regarding training.

Extra services other than EC only offered to 3rd – 5th grades

- *Would it be a possibility to change the target foundation (k-2)*

L. Davis would like to look into more Dibbles/non sense word use. And more k-2 grade programs that are available.

KAIK suggested that we receive more PD on the programs that are currently in place.

Merritt suggested that we look into what Lexia and the Jan Richardson plan has for students with learning disabilities.

- *Lexia PD or Jan Plan Supplement/Support*
 - 1. Iready*
 - 2. dreambox*
 - 3. American*

Teachers college coming in summer, may have something to offer in this area.

Tap into CHAMPS and how we can work this together with instruction (SEL).

MVES only had 1 sub group on radar.
Covered growth model.

TRULL- science testing for the lower grades
Merritt commented that 3rd and 4th grade NC Check/ Schoolnet in is in the works.
