Hoodies - Dr. Radke shared the printout of a sales brochure that is labeled “apparel approved” that shows hooded sweatshirts. There is discrepancy in regards to what we offer online and what PRIDE committee set as acceptable apparel. - Mrs. Funderburk asked who authorized to put the apparel on the website that is contradictory to what PRIDE committee has established. Dr. Radke responded that there is no clarity as for who approved the items on the online store. She thinks that if it is allowed on Fridays why we are not allowing them throughout the rest of the week. Mrs. Jennings added that 7 th grade voted no. - Mrs. Hill stated that 6 th grade voted no. Teachers think they will have a problem with asking students to put their hoodies down. They think it is a safety issue. Students can cover their faces when they are walking up the hallway and cover themselves. - Mrs. Shaffer stated that the consensus in 8 th grade was no. They are getting a lot of pushback from students to tuck in their shirt, hoodies will bring a similar problem. As of now teachers do not have problems with students wearing hooded sweatshirts on Fridays. - Mrs. Florentino stated that related arts teachers don’t have a preference. - Dr. Radke stated that the hooded needs to be removed from the online store. At the same time it is very cold outside and hooded sweatshirts are warmer. Dr. Radke stated that most staff members wear jackets and hoodies. Why are we as a school not allowing them to wear hooded sweatshirts? - The consensus was to remove the color hooded option from the website. - Mrs. Brigden suggested that if we want to make a change, we should make changes before the end of the school year so it takes effect at the beginning of the school year. Motion to remove hoodies from website was approved.	Dr. Radke	15 minutes
Open Forum - Mrs. Florentino asked what’s going to happen with the parents who have already purchased the hoody. - Dr. Radke reminded all attendees that lockdown drill will be tomorrow. - Could we match the colors to FH colors. There is historical value to the current colors, when time comes we can ask the community for support.	All	10 minutes
