Student and Parent behavior system	10 min	Ms. Hill	Meeting began at 4:03 Additional ways for technology to be used to be communicated with parents. Several tools are available for communication - classroom dojo, Edmodo, sawyer - there are 4-5 platforms out there for use. Meaningful tools in parents hands - parents want to know when their student has the first silent lunch rather than hearing about it later. This is a way for students to also see the positive communications.

			<p>cancelled their day of school for then due to number of teachers out. Union County is currently monitoring. EUMS has 13 teachers that are taking that day as a personal day. If a teacher calls out sick - documentation is required from a Dr. for it to be taken as a sick day or will pay \$50 for their day taken. EUMS will be operating to the best of our ability.</p>
Boys and Girls Club	10 min	Mr. Sanders	<p>We host the B&G club. The number of consistent middle school students is only 3. Proposal is that the B&G club will operate out of Wingate Elementary instead of at EUMS. EU students will ride the bus to the B&G club. Meeting will happen with Mr. Maxie Johnson (Wingate Elementary), director of B&G, Mr. Leon and Mr. Sanders.</p>
2018-2019 Calendar	10 min	Mr. Sanders	<p>Calendar has been approved for awhile now. We are an EPIC school that receives money for a variety of purposes. August 13-14 will be paid from EPIC grant for teachers who participate. Would like the teachers to take part in CHAMPS training - anyone who falls into category as a "teacher" would be eligible. Team building - AG center and partnering with Monroe middle. Commitment contracts will be talked about for these days. There is a tiered system where teachers/students will know consequences for behaviors. CHAMPS is more of the classroom management - expectations are set, discipline will still follow UCPS policy. Help to create student leadership using the CHAMPS system.</p>

EPIC funds will be used for Dr. Hill (getting ready to be approved) and Mrs. Bailey (approved at last budget meeting). Avid will be funded for 6th grade - like Elon academy works with at risk students to help put them in a position for the university/Emerge - puts students on the path to go to Ivy League schools.</p> <p>Parent Concern - do not forget about the kids who are not students who are "at risk".</p> <p>AIG - middle school meeting happened and the conversation came up about how different schools come up with how the classes are built.</p> <p>Master Teachers will teach 2 blocks, mentor a teacher and have a planning block. MT's will be in 6th grade due to the "newest" teachers being in 6th grade where support will be needed.</p> <p>Lower class sizes will happen due to the amount of students and having the MT's</p>
Restart			<p>Restart funds will fund personnel for next year. Math coach will be funded - Mrs. Honeycutt has been hired for this position. Literacy coach also hired. Ms. Foster will run curriculum/instruction from administrator perspective. Mrs. Leake will be 7th grade, Mr. Leon 8th grade admin. and Mr. Topper 6th admin. BMT position will be kept.</p>
